Assistant Commissioner for Patents

Sir:

In accordance with 37 CFR §§1.56, 1.97 and 1.98, Applicants submit herewith on Form PTO-1449, a listing of the documents cited by or submitted to the Patent Office in parent application Serial No. 09/053,866, filed April 1, 1998. In accordance with 37 CFR §1.97, the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been conducted, nor shall it be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 CFR §1.56(b).

The references are listed in PTO Form 1449, which is in accordance with the requirements of MPEP §609. As provided in 37 CFR §1.98(d), Applicants are not submitting copies of the listed documents, since the documents were previously cited by or submitted to the Patent Office in parent application Serial No. 09/053,866.

Applicants believe that their invention as claimed is patentable over the cited references. It is respectfully requested that these references be considered by the Patent and Trademark Office in its examination of the above-identified application and be made of

record therein. The Examiner is also invited to contact the Undersigned if there are any questions concerning this paper.

Applicants believe that this Information Disclosure Statement is being filed before the mailing date of a first office action on the merits, and therefore, Applicants understand that no fee is required in connection with its filing, as provided by 37 CFR §1.97(b). However, any fee that may be due can be debited to our Deposit Account No. 26-0290.

Respectfully submitted,
